CANCER RESEARCH AND DISCOVERY TO CURE
Team NPM Fights Cancer in October 27 Walk-a-thon**

New Haven, Connecticut (October 2, 2013) – The New Haven Connecticut law firm of Neubert, Pepe & Monteith, P.C., with attorney Douglas S. Skalka as captain of Team NPM, is joining the fight against cancer in the Discovery to Cure walk-a-thon in New Haven on Sunday October 27. Discovery to Cure is the gynecology/oncology research unit of the Yale University School of Medicine. Funding for their internationally recognized cancer research for ovarian and other gynecologic cancers comes only from grants and fundraising.

The walkers look forward to enjoying a beautiful fall day in New Haven and through the Yale University campus. Many will walk in memory of loved ones, for themselves, for future generations and the hope to someday eradicate gynecologic cancers. Having lost a relative to cancer, Attorney Skalka now walks to support research for his daughters' futures. Mr. Skalka remarks, "Neubert, Pepe & Monteith is honored to be a sponsor of this inaugural event and we look forward to a great walk for a great cause."

Neubert, Pepe & Monteith's employees are committed to community involvement and service and regularly participate in civic events. Firm employees are walking together as Team NPM to support Discovery to Cure's cancer research and to demonstrate the firm's continuing commitment to the health and welfare of the community in which they serve. Neubert, Pepe & Monteith is pleased to be one of the sponsors of Discovery to Cure's fundraising walk-a-thon taking place in New Haven on October 27. Walkers will welcome an informative walk through Yale University as tour guides stationed along the route identify significant points of interest.
